

**HEALTH BEGINS IN
YOUR MOUTH**

BIOLOGICAL & HOLISTIC DENTISTRY:
A CRITICAL PILLAR IN
WHOLE-BODY HEALTH

Presented by Dr. Seth Gilson, DMD
Our Holistic Dentistry

Why This Matters Now

1 in 2 adults lives with chronic disease

Oral health is often overlooked in root-cause protocols

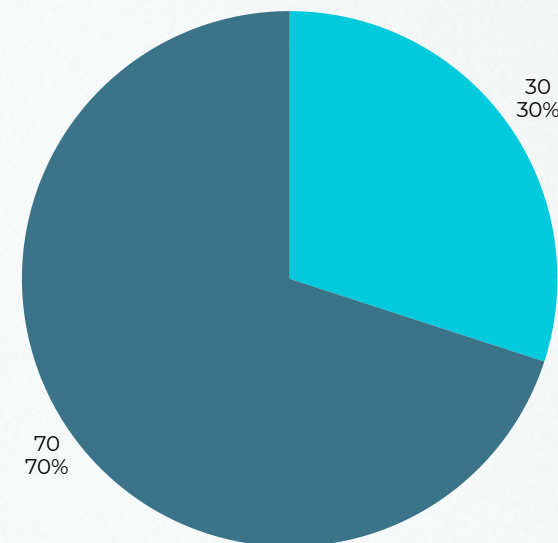

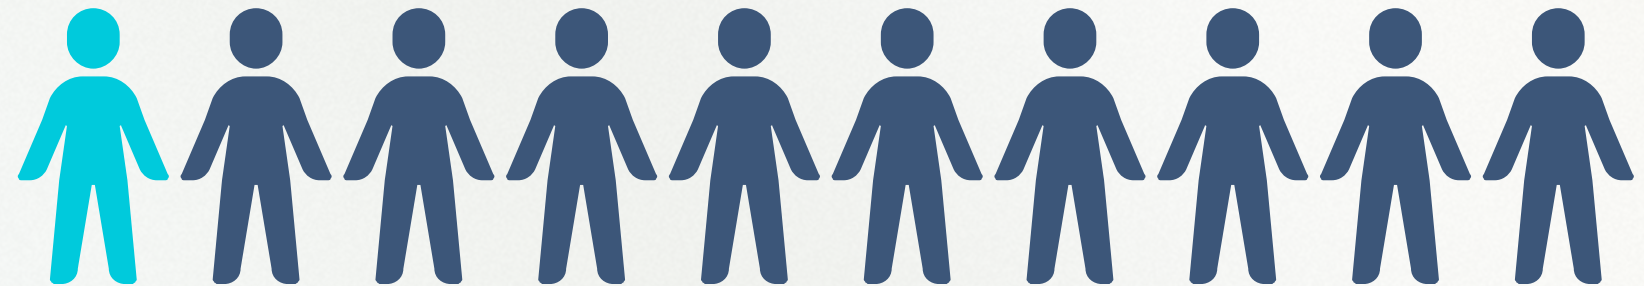

Key Oral Health Stats

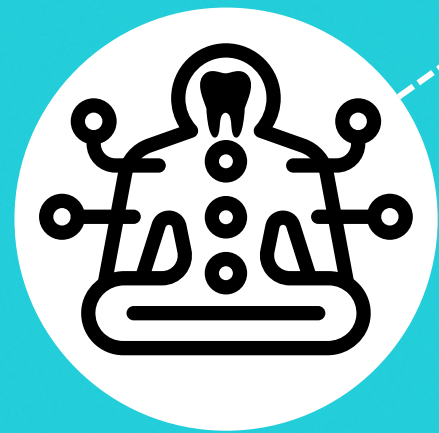

47% Adults 30+ have
periodontal disease

**35 million Americans suffer
from TMJ dysfunction**

**30% experience
sleep-disordered
breathing**

THE PARADIGM OF BIOLOGICAL DENTISTRY

**Whole-body &
oral-systemic
integration with
regenerative
principles**

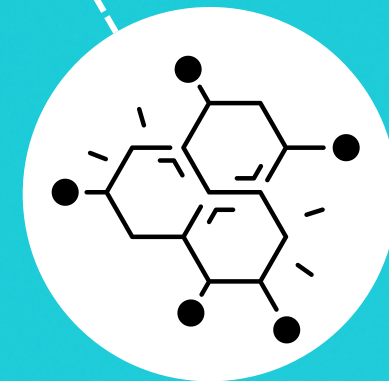

**Non-toxic &
biocompatible
materials**

**Microbial &
energetic balance**

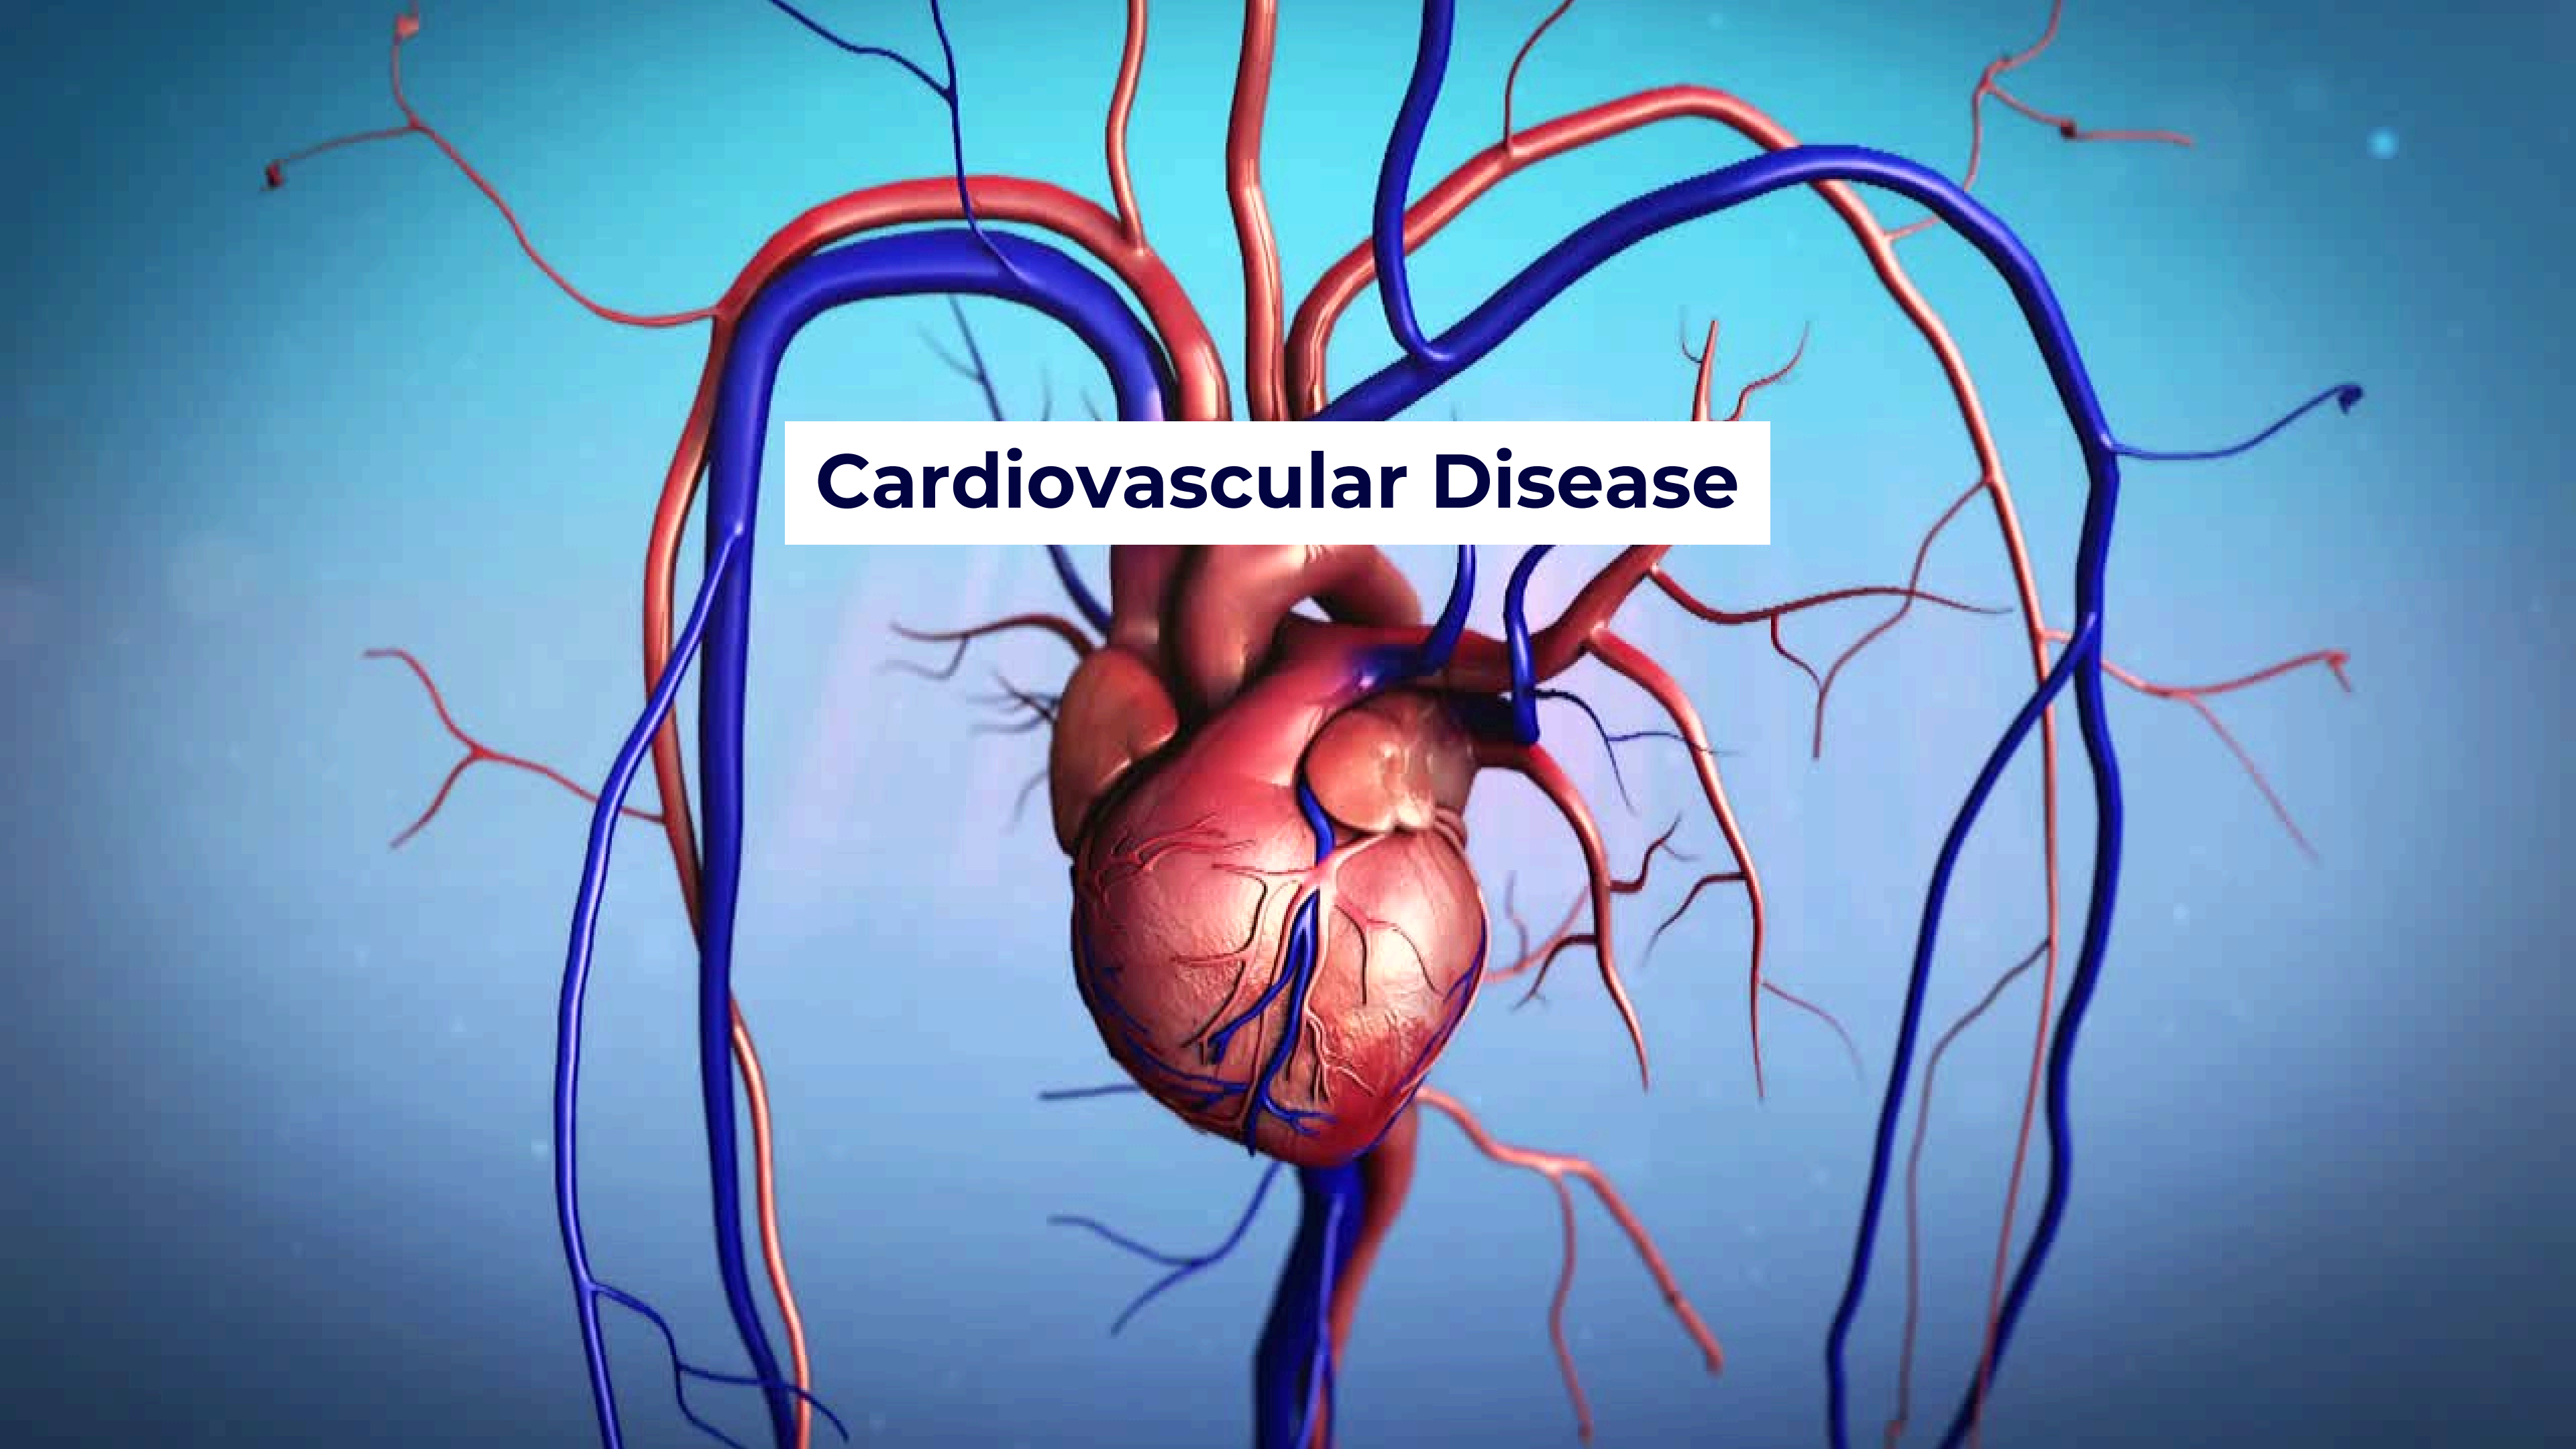

**Airway
health**

**Biomimetic
principles to
conserve
natural form
& function**

The Hidden Impact of Oral Disease

An anatomical illustration of the human heart and its major blood vessels. The heart is shown in a reddish-pink color, with a network of red arteries and blue veins branching out from it. The background is a light blue gradient. A white rectangular box with the text "Cardiovascular Disease" is centered over the heart.
